Instructions:

1. Cut 7 small sections of wire strands.

2. Each loop is a solid color. Place 21 turquoise crystals on two separate wire strands, place crimp bead onto the wire to create a circle before crimping.
3. Repeat step two for the second turquoise loop.
4. Repeat step two to create two separate loops with 21 Caribbean blue opal ab crystals per loop.
5. Make three smaller separate loops using 15 crystals per loop of the chrysolite and chrysolite opal. Link one of the turquoise and Caribbean blue opal ab loops with one of the chrysolite loops to create a crystal chain prior to crimping. Crimp securely once linked.

6. Link the chrysolite and chrysolite opal loops to the remaining turquoise and Caribbean blue opal AB loops to create a second crystal chain.
7. Cut two pieces of stringing wire approximately 15 inches each. Crimp one end of each of the wires to the toggle closure.
8. String onto the wire 4 caribbean blue opal ab, 2 sand opal, 1 gemstone oval bead, 4 caribbean blue opal ab, 1 sand opal, 1 gemstone oval bead, 4 caribbean blue opal ab, 1 sand opal, 1 gemstone oval bead, 15 sand opal, crimp bead. Loop the 15 sand opal crystals into the end loops on either of the crystal chains. Crimp securely.
9. Repeat step 8 for the other side of the necklace.
10. Place crimp covers over the crimp tubes on the sand opal links and at the back of the necklace by the toggle.
11. Open jump rings with pliers and place coral branches, starfish and shells onto the loops. Close the jump rings securely.
12. Your Ombre Seas necklace is complete! Enjoy!!
