1. Cut three strands of beading wire equal lengths.
2. Place a bead stopper on one end of a strand and string on Sanibel Island Designer Seed Bead Blend beads. Place a beads stopper on the other end.
3. Repeat with the two other strands using the pearl and crystal blends. You can string them on randomly or create a pattern.
4. Crimp both ends of a strand making leaving a simple loop at the top and adjust the two other strands so they're the same length as the first strand.
5. Open an eye pin; insert one end of each strand and close the eye pin. Repeat for the other side.
6. Slide a cone onto the eye pin; add a crystal and make a wrapped loop. Repeat for the other side.
7. Slip an S hook into each wrapped loop.
8. String the Mixed Impression Jasper bead onto the ball end head pin and make a simple loop at the top.
9. Place the pinch bail over the three strands in the middle and pendant loop. Pinch closed. You may need to use your pliers for this step.
