Tip: Look through your quartz points for ones that have a shape that works well with this project. Making a wrapped link chain would be a great look as well!

Instructions:

- 1 Slide 4 quartz points onto a head pin. Make a wrapped loop.
- 2 Slide 6 white faceted rondelles onto an eye pin. Make a simple loop.
- 3 Repeat step 2.
- 4 Open the loops of the eye pins and connect both of them to the wrapped loop.
- 5 Open the top loops of the eye pins and connect them to whatever length of chain you like best.
