### **Basic steps for project:**

1. Cut about 1 yard and 3 yard piece of Chinese Knotting Cord.
2. Find center of 1 yard piece. Tie knot and string a seed bead over both strands.
3. Measure 2" from end and tie a second overhand knot.
4. Find center of 3-yard piece of CKC. Tie two macrame square knots. String approx 20 beads per side and tie a stopper knot at each end.
5. Macrame, bringing up beads in a pattern for about 5" or so of length.
6. Tie an overhand knot and glue. trim away two excess threads.
7. Add bead on both strands and measure 2" from knot and tie a second knot. Tie another overhand knot and trim.
8. Cut 12". Make fishtail closure. Weave ends under knotted section and cut excess.
